Authority for Expenditure of \$ 810.00 is requested for purpose of installing temporary
bunkhouse ~~to property~~ at Denver, Colorado.
(Station or Location)

Description of project:

Build temporary winter type portable bunkhouse with lockers.

Recommendations:

During 1944 it was necessary to ship men from Laramie to perform icing operations at Denver, necessitating our paying their expenses. Do not expect to have Laramie men available for 1945 and contemplate using Mexican Nationals who will be housed in proposed bunkhouse.

Included in 1945 Budget.
